Annie Parker Decoded

Annie Parker

RELEASED 2014 **PAGES** 248 **RIGHTS AVAILABLE** WORLD EXCL. CANADA

Annie Parker lost both her mother and sister to breast cancer before being diagnosed herself. She became one of the first women in the world to be tested for the BRCA1 mutation. A three-time cancer survivor, her story inspired the film *Decoding Annie Parker*, starring Samantha Morton and Aaron Paul.

Flat Out in Pieces:

Crippled by Concussion: An Athlete's Journey Back

Paul Suter

RELEASED 2018 **PAGES** 232 **RIGHTS AVAILABLE** WORLD EXCL. CANADA

Paul Suter was an elite endurance athlete who went from competing in Ironman-distance triathlons to being unable to take his dog for a five-minute walk. The ongoing search for a cure led to severe depression and threatened to destroy his marriage, a relationship founded on a mutual love of sport.

Just One More Drive:

The True Story of a Stuttering Homosexual and His Race Car

Robert James O'Brien

RELEASED 2018 **PAGES** 244 **RIGHTS AVAILABLE** WORLD EXCL. CANADA

This honest, uplifting, and painfully funny memoir is about love, soapboxes, and why you should never lie on national TV. More than a story about stuttering, or coming out, or living in the shadow of suicide – it is a universal journey of self-discovery and learning to embracing one's true self.
